PROFILE

Motivated Environmental Studies student from UC Santa Barbara with a strong foundation in sustainability, conservation, and ecology. Eagle Scout and Trader Joe’s Crew member with proven leadership skills through project management and coordinating the frozen department. Committed to applying my knowledge to real-world challenges through environmental planning and climate change mitigation.

EDUCATION

2023 - 2025
UNIVERSITY OF CALIFORNIA SANTA BARBARA
• Bachelors of Science in Environmental Studies

SUMMER 2024
WILDLAND STUDIES - FIELD STUDY PROGRAM

2020-2022
SADDLEBACK COLLEGE

EXPERIENCE

- **2021 - PRESENT**
30652 Santa Margarita Pkwy RSM, CA 92688
5767 Calle Real Goleta, CA 93117
Trader Joe’s Crew Member
 - Managed inventory of the frozen department while leading fellow crew members in restocking and organizing to present customers with an easy shopping experience.
 - Efficiently running the register while delivering a wow customer experience.
 - Trained new hires on register dynamics, stocking practices, and introduce the Trader Joe’s atmosphere.
- **Summer 2024**
Kona, Hawaii
Marine Managment
 - Emphasizes marine conservation by utilizing coral reef field surveys, research methods, and by collecting and analyzing data from protected and unprotected coastal areas.
 - Gained understanding about traditional and contemporary marine management practices of the Big Island of Hawaii.
 - Investigated the connectivity of forest and coastal environments

SKILLS

- Field Work
